STANFORD TEAM ARRIVES TODAY

Big Delegation Will Be on Hand to Meet It.

PRACTICE THIS AFTERNOON

ADVANCE SALE OF SEATS INDICATES A LARGE CROWD.

UNLESS the members of the Stanford football team get lost in the environs of Ogden this morning, they will arrive in Salt Lake at 9:30 a. m. A crowd of varsity students will be on hand to give them a royal welcome. Manager Edwards of the Stanford team received a wire last evening from the team en route to the city saying all the members of the party were in the finest of condition and that they would be here at the stated time. This afternoon the Stanford boys will journey to the city campus where they will hold a secret practice of a couple of hours' duration. After the visitors get through, the Varsity eleven will take their turn on the field and go through a lot of fast signal work for the last time before the big game tomorrow.

Manager Riser said last evening that the weather man had promised ideal football weather for tomorrow and if this is true, indications point to a record breaking crowd for the biggest game that was ever pulled off in the city. The coming of the Stanford team was one of the chief topics of conversation on the streets yesterday, and since it became known that the team representing Leland Stanford university would be the strongest aggregation that institution could put forth nearly everybody expressed a desire to see the visitors.

The sale of seats commenced yesterday and both Manager Riser and Manager Edwards were pleased with the results. Several hundred dollars were taken in and a majority of the reserved seats were engaged. The supply of these seats is very limited and only includes the seats in the two grandstands on the opposite sides of the gridiron. The bleachers line both sides of the field and will seat nearly 3,000 people. The general admission seats at \$1 with 25 cents extra for the grand stand.

Manager Riser said last evening that the students had organized several large rooting parties who would take their places around the gridiron to cheer the local boys on to victory. Splendid arrangements have been made to keep the crowd off the field and sub-players will not be allowed to run up and down the field.

The official question, which is an all important one in this state, has been practically settled upon and Odell of this city and Madison of Logan, who are looked upon as the two best men in this capacity in the state, will act. There is considerable betting going on as to the result of the game on the Stanford, which is only natural considering the strength of the visiting team.

PARK CITY H. S. DISBANES.
Robert Watson Elected Captain For Next Year.
(Special to The Herald.)
Park City, Nov. 25.—The members of the Park City High school football team will play one more game this year. Last evening Manager Freeman called the team together, when the question of disbanding was brought up. A vote on the matter was taken and it was decided to quit playing for this year.

Robert Watson was unanimously elected captain for next year's team. The boys returned from Ogden yesterday and were much pleased with the treatment they received at the hands of the deaf mutes.

Game at Logan Tomorrow.
(Special to The Herald.)
Logan, Nov. 25.—The scrub Aggies and the Logan team will play a game of football on Thanksgiving day at 11 o'clock. This early hour was set because some of the Aggies want to leave for home by the noon train, a Thanksgiving vacation of three days having been granted the students of both colleges here.

Pigskins' Challenge.
The Piskin Buckers desire a game with the Little Quilrirs or any seven-five-pound team in the city.

BOWLING LEAGUE OPENS

Brunswick Team Wins the Initial Game From Harmony Team Last Night.

The opening game of the city bowling league was played last evening at the Brunswick alleys between the Brunswick and Harmony teams. The alleys were crowded with enthusiastic bowlers to watch the contest, which was won by the Brunswick team by a total of 3,012 points to 2,919 for the Harmony team. The members of both aggregations were a little off and did not live up to their usual standard. McLeod's last game, however, was a good one. He got five strikes and rolled up a total of 224. Bower was the most consistent bowler of the evening, getting a total of 337 for the five games played. The following were the scores and totals:

TURKEY SHOOT TODAY.
Range Will Open at 10 a. m. and Remain So Until Darkness.

The second big turkey shoot of the Salt Lake Rifle club will be held today. Secretary McConahay said last evening that the club had a large stock of turkeys on hand and that everybody was invited to go down to the range on Eleventh South and Fourteenth East and try their hand at expert shooting. The club will have two targets ready for business and persons in charge to keep them going all day for the benefit of club members and visitors.

The shooting for the turkeys will commence at 10 o'clock this morning and continue until darkness sets in. W. C. Cooper, a crack marksman and member of the Springfield Rifle club, was in the city yesterday trying to arrange a match with the local club to be shot off in Springfield tomorrow. The shooters down there intend to have a big time and would like to have some of the local cracks go down. The matter was discussed with some of the members of the local club, but as many of them intend to take in the rabbit hunt tomorrow, the proposed match fell through for the time being. Cooper expressed, given the assurance that the local club would send a team down to meet the Springfield boys in the near future.

Thanksgiving Rabbit Hunters.
Trains for Tooele will leave the Oregon Short Line depot on Thursday morning at 7:45. Those who expect to attend the rabbit hunt should remember this fact. J. Wash Young, who has charge of the hunt, says that 100 men have signed to go, and it is expected that over 2,000 rabbits will be killed. The rabbits are said to be unusually plentiful this year.

FAVORITES FARED BADLY.
Runners at Ingleside Put Up a Good Day's Sport.

San Francisco, Nov. 25.—Favorites fared badly today, only two of them getting the decision. The sport was exciting and some close finishes were witnessed. Arrivals and departures gameness when he took the fourth event from Beau Ormonde and Kenilworth. The last named was a pronounced favorite, but was a 20 to 1 shot, upset calculations by running over Money Musk, the 7 to 10 favorite, and the last and winning clearly. Kenilworth was a 1 to 4 chance in the 7-year-old race, but Fuss in Boots beat her easily. Summary:

First race, seven furlongs, selling—Loyal S. won, Ignacio second, Mike Rice third. Time—1:28½.
Second race, five furlongs, purse—Puss in Boots won, Scherwin second, Penzance third. Time—1:04½.
Third race, one mile, selling—Sugden won, Diced second, Bangor third. Time—1:44.

Baseball.
Quick Signs With Toledo.
(Special to The Herald.)
Logan, Nov. 25.—Eddie Quick, who was a member of the Logan baseball team, will play next year with the Toledo team of the American association. Quick signed with Strobel last fall, but could not agree thoroughly on terms, and was considering the propriety of "jumping" his contract. That has been obviated by the Toledo manager coming to his terms, i. e., \$250 per month. Quick is still in this city and will remain here until March.

Jenkins Wins Wrestling Match.
New York, Nov. 25.—In a clever wrestling bout, catch-as-catch-can, Tom Jenkins of Cleveland defeated Joe Carroll of Ireland tonight in Madison Square Garden concert hall. Jenkins had a decided advantage in weight, as he scaled 122 pounds, while Carroll weighed only 110. Jenkins won two straight falls.

Good Guess.

OLD TIME SOCIAL.
"Ye Old-Time Social" was the feature of an entertainment given Monday night by the M. I. A. of the Seventh ward, which was attended by 200 or 300 people. After the regular business meeting an old-time supper was served. It consisted of pumpkin pie—named first because it was so good and second because it was the order—baked beans, home-made bread and other things in keeping, equally as good. Modern lighting appliances were relegated to the rear, and their place was taken by Jack-o'-Lanterns. While they had not the glow of incandescent light, they added to the attractiveness of the scene, and made the affair all the more enjoyable.

CURING CONSUMPTION.
When Scott's Emulsion makes the consumptive gain flesh it is curing his consumption.

Exactly what goes on inside to make the consumptive gain weight when taking Scott's Emulsion is still a mystery.

Scott's Emulsion does something to the lungs too that reduces the cough. More weight and less cough always mean that consumption is losing its influence over the system.

Scott's Emulsion is a reliable help.

TOO LONG BUILD UP YOUR HEALTH
Is Like Playing with a Loaded Gun. If you Have Kidney Trouble Attend to It At Once.

It is easy to tell whether your Kidneys or Bladder are diseased. Take a bottle of Scott's Emulsion and fill it with urine. If there is a sediment, powder-like substance after standing day and night, if it is pale or discolored,ropy or stringy, there is something wrong with the Kidneys. But sure signs of disease are a desire to urinate often, pain in the back, or if your urine stains linen.

There is no question that Dr. David Kennedy's Favorite Remedy is the best and surest medicine in the world for diseases of the Kidneys, Liver, Bladder and Blood, Rheumatism, Dyspepsia, Chronic Constipation, and the sickly, nervous peculiar to women. It relieves and cures inability to hold urine and the necessity of getting up many times during the night, and puts an end to the scalding pain when passing urine.

The Rev. Henry P. Miller, pastor Baptist Church, Spartenburg, S. C., writes:

"For eleven years I suffered with kidney, liver and heart troubles, swimming in the head, dull headache, nervousness, and all the ills. Several physicians prescribed for me and I took different medicines, but none of them did me any good. I then began the use of Dr. David Kennedy's Favorite Remedy, and in about two weeks was entirely well."

A GOOD SAMARITAN

Being Helped Himself Wishes to Help Others.

The papers were never so filled with advertisements of remedies that will cure every known disease, as they are today; these are, invariably accompanied by letters from people, testifying in the strongest terms to the virtue and merit of the particular preparation advertised; but because so much is claimed for the medicine, it has come to the point where most readers regard such testimonials as pure "fakes" and made up out of the whole cloth.

We are glad, however, to vouch for the reliability of the following from Mr. William Lichtenwarter, proprietor of the largest printing house in Canton, O., regarding the Pyramid Pile Cure, for which nothing is claimed except that it will cure any and every form of Piles.

"For several months past I have received so many inquiries from sufferers asking if my testimonial is authentic, that I am inclined to send in a letter to you for postage and stationery."

"It is now two years since I was last troubled by my rectum, as is called, and clean as any man who never had piles, although I suffered with protruding, bleeding and internal piles for twenty-seven years, and was not using any medicine."

"What will cure one man will sometimes not cure another; whether it was the Pyramid Pile Cure that cured me, I cannot say, but I have been free from piles for two years after using your treatment. I leave sufferers to draw their own conclusions."

"I will answer any communication that a sufferer may ask, and will refer to any business house, bank or manufacturer of Canton, O., concerning my case, and will prove to them I have lived for forty-eight years."

Pyramid Pile Cure is sold by druggists for fifty cents a package, or will be mailed to you on receipt of \$1.00. Drug Co., Marshall, Mich., upon receipt of price.

Drop this in a card asking for their little book describing the cause and cure of piles.

REPAIRS.

My daughter of nine years was complaining with her stomach and feeling bad and was very adverse to taking medicine, as most children are. She could not swallow anything in the way of food, and was very nervous. She made the effort and was surprised how quickly a Ripans Tabule dissolved in her mouth. She was very peevish and fretful and did not care to eat. She would not sit down to her table without her, and this caused us worry; but when she commenced taking Ripans Tabule, she ate and drank as usual, and now she is greatly improved in her complexion, and does not fail to come regularly to her meals, often eating between times. I would like to see how quickly the Ripans Tabule took effect.

The Five-cent package is enough for an ordinary occasion. The family bottle, 50 cents, contains a supply for a year.
